◆ ALL ABOARD THE ELDEN RING! ●◆◆◆ After weeks of waiting, the brand-new fantasy action RPG, TARNISHED, will be out of beta, with content that's over 30% more than what we had in the beta. As a special treat, we'd like to ask for your generous cooperation with the development of an in-game event. We're calling it the Tarnished Elden Ring Festival, and we're inviting every Tarnished player to participate. For this festival, we'll be creating an special event map that all players will be able to enter. Below is a tentative schedule for this event. ◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆◆ ◆◆

Features Key:

A Tale of Fantasy and Friendship.
Equipment and Abilities Adaptable to the Heroes of the Lands Between.
A vast world full of excitement.
A realistic three-dimensional animation of players and NPCs.
A groundbreaking online class system, where you can select a combination of skills and weapons.
The power of the Elden Ring...

Elden Ring [Win/Mac] [March-2022]

- "Unique game play, a great story, and amazing characters. [...] a fantasy RPG not too different from a standard JRPG that pulls you deep into a world where you'll want to stay for a long time."— GadgetZ. - "I swear, I don't think I've ever seen a better RPG hybrid put together since Dragon Quest XII."— Hardcore Gamer - "It's an RPG that fully delivers on the 'RPG' part of the 'RPG-like' concept, with the addition of the unique action elements and 'hack and slash' combat we've come to know from the Japanese game franchise."— GameSages - "One of the best action RPGs in quite some time."— RamblerX - "Another fun action RPG from the fine folks over at Osaka! Only bested by their Sega Genesis port, Darkscape."— BiggsOnRPG - "Rise of the Elden Ring is a game that truly provides a sense of adventure and excitement with its fantastic story, huge worlds, and fun combat."— Square Enix Enthusiast - "Fun combat and an excellent story."— JRPGkings - "Rise of the Elden Ring was designed to entice newcomers into the genre, while giving veteran RPG players a taste of what a crossover could look like."— RPGFan - "Rise of the Elden Ring has more of a rollicking open-world feel than a strictly linear story one."— Kotaku ------------------------- GAME BOX ------------------------- In the quiet world of the Lands Between, two strong, handsome heroes travel the realm to search for a place called the Elden Ring to be protected. The magic of this place gives the user the power to enjoy a life with a rich and bountiful flavor, but the sweetness and freshness of the lands is deteriorating due to a storm of crisis and dark magic. Battle a horde of foes as you move deep into the fantasy realm to find the Elden Ring! ------------------------- DARK SCAPE ------------------------- bff6bb2d33

- The Story of "Elden Ring" After the declaration of freedom and equality, the three kingdoms decided to allow swords, gunpowder, and firearms for the first time. As the new generation born with the air of this new age began to bloom, an ancient source of power descended from the heavens and created the Elden Ring. The race to find this source of power is now underway. For thousands of years, numerous races from the Kingdoms and the adjacent lands have been searching for the ring in the Lands Between. One day, the gold-skinned man, an administrator for the Elden Ring, was walking in the forbidden land, the Palace Kingdom. The man was lost in thought when the man on the ground came out to greet him. The man on the ground was a young man with a face covered with scars and a large scar across his body, and he was floating in the air. The man on the ground tilted his head at the man floating in the air, and looked at him with admiration. "You have found the Elden Ring. It is an immense power. However, you are not the one who shall wield this power. You must remember a word that was spoken when you found it." The man on the ground and the floating man stared at each other, then the man on the ground turned away with a stoic expression. "Before you depart, may I ask you a question?" "Yes." "Who are you? "What I am now?" the man answered. "Yes." "I am Tarnished," he said. The man on the ground nodded once and turned his gaze back to the land in front of him. The man on the ground walked back to the Elden Ring and took out a document from his armor with a metal key attached to it. "Hey, I can leave now." But before he could, the man on the ground cried out, "I will take you there!" The man on the ground started floating in the air again.

Step 5 Enjoy:

1. Enjoy the game

Step 6

System Requirements For Elden Ring:

Intel Pentium 4 3.0GHz 4GB RAM Recommended HDD space: 60GB free space 9 GB available hard drive space DirectX9.0c Rated 5 out of 5 stars from CheapGamer65 Awesome game and well worth a purchase. Game play is fast and furious, and the bosses are challenging. Best game I have played in a long time. I would highly recommend this game, and at $39.99 you really cant go wrong.
